

# Me, Extinct.

Solo artist, multi-instrumentalist, genre jumper and audio hypnotist, Jorge is ever striving to do something different, studying, crafting and sculpting sounds, melodies and flow on-the-fly, mostly to the detriment of excellence.

With a background in electronic music and distorted guitars, Me, Extinct. is an experiment of sorts, combining decades of laziness, mediocre talent, non-perfectionistic skill and short attention spanned instant gratification.

**jorge goyco**  
(is lazy, but productive)

#### Album Info:

Hybrid Heavy/Stoner Metal. Clean vocals, some Doom passages, and some Thrash sections. Themes include Pot, Kittens and Darkness.

#### Newest Album:

Ouchies

#### Genre:

Heavy/Stoner Metal

#### Tour Dates:

None. I can not duplicate this music live.

#### Track Listing:

Dead Day  
Meant To Haunt  
Nevermind  
The Small and The Weak  
Wander  
What If

#### Lyric Sample (from Meant To Haunt):

*Something in us is attracted / To dark and broken thoughts / To scary devastating things / That tangle us in knots*

*The time spent listening to this song / Has presented a pause / To awkwardly stumble toward meaning / Of history and it's cause*
